

Welcome to the State of Indiana.

To help simplify the process of retirement planning, all employees hired after June 30, 2007, will be automatically enrolled in the Indiana Deferred Compensation Plan known as Hoosier S.T.A.R.T. sponsored by your employer. Some of the benefits of the Plan include deferring state and/or federal taxes on your contributions and earnings, the potential for a bigger nest egg through compound growth, and access to an array of quality investment options managed by professional money managers. In short, the Plan offers an easy way to begin planning today for the retirement lifestyle you want tomorrow.

Your enrollment in the Hoosier S.T.A.R.T. Plan, at the minimum contribution amount of \$15.00, is a great benefit to new employees who, at the time of hire, may feel overwhelmed with all the paperwork that accompanies a new job. **This contribution level also qualifies you to receive the state matching contribution of \$15.00, giving you an additional \$390 in annual savings.** Please contact a customer service representative to discuss the Plan and/or investment options available to you at (877) 728-6738 option 2\*. Or you may visit our website at [www.hoosierstart.com](http://www.hoosierstart.com) \*. You may also update your beneficiary information at this time as well.

If you would not like to participate in the Hoosier S.T.A.R.T. Plan, please call our local office at (877) 728-6737 and please select option 2. Please note that you must opt out within 31 days of receiving your first paycheck to cancel your enrollment in the program.

It's an exciting time for all of us at the Hoosier S.T.A.R.T. Plan and as your Plan Administrator I am always looking and exploring for new options to help State employees save and invest for their retirement. I look forward to helping you make your retirement dreams a reality.

Regards,

Auditor Tim Berry
